EGGPLANT CUTLETS

- » Eggplant is a core ingredient in many Italian recipes.
- » Makes a great meat replacement.
- » Dominex Eggplant Cutlet saves the consumer time and money. No messy prep. The Cutlets are ready in minutes.
- » Dominex Eggplant Cutlet is #1 in the breaded vegetable category (retail sales).
- » It's more than just an Eggplant Cutlet. Most consumers purchase the Cutlet as a meal starter. This means a higher register ring; not just a \$5 one time purchase. Cheese, sauce, spices and even salad and bread are typically added to the consumer's shopping cart (making the potential total purchase about \$25).
